General Rules and Regulations

Steuben County Agricultural Society officers and directors are responsible for the general operation of the Steuben County Fair. The Society has the authority and may delegate persons with authority to oversee any or all of the various departments of the fair. Any entry brought to the Steuben County Fair is at the risk of the owners. The Society will not be responsible for any loss by fire, water, theft or otherwise.

ENTRIES of all Classes:

Address all inquiries concerning entries to: Steuben County Agricultural Society, Attn: Secretary, 15 E Washington St, Bath, NY 14810. 607-776-4801.

The Society reserves the right to reject or refuse any entry. No entry fees will be refunded.

Entries must be received by July 31st at 5pm. Entries after 5pm will not be accepted.

LIVESTOCK ENTRIES

Exhibitor fee of \$6.00 per exhibitor.

Exhibitor passes are issued to exhibitors at the Fair Office.

Exhibitor passes are issued by number of animals entered (1 entry=1 pass / 2-4 entries=2 passes / 5-7 entries=3 passes / 8+over entries=4 passes(max). Daily tickets issued to open cattle exhibitors. Horse exhibitors issued 2 daily passes per show day.

Animals must be shown in individual class to qualify for a pair or group class.

There will be a maximum of two premiums paid per class per exhibitor.

Animals must be owned and cared for by exhibitor at least 30 days prior to the fair. Animals must be registered in the exhibitor's name. Registration papers are required for competition. Group classes require certificates of registration of animals at ringside.

Health and registration papers must accompany animals upon arrival and must stay with the animal until the state veterinarian checks animal in. Animals cannot be unloaded without these documents. Animals must comply with NYS requirements of NYS Dept of Agricultural and Markets rules and regulations section 350 and 351, which are on pages 8 - 13 of this fair book. Animal must be identified by a USDA approved official ear tag. Ear tag must correspond with registration papers. If breed associations require tattoos for registration, the animal must have a clearly legible tattoo that corresponds with their registration papers.

Exhibitors are responsible for feed, hay and bedding. Extra hay cannot be stored in animal area. Exhibitor must clean out their animal's pens before leaving. Exhibitors are responsible for cleanup of their area upon departure. Remove and discard signs, string, wire, paper, food, etc.

PRODUCE AND DOMESTIC ARTS ENTRIES

Exhibitor fee of \$6.00 per exhibitor. Each exhibitor will receive two single day admission tickets.

One entry per class per exhibitor.

Entry must be the property of the exhibitor. Fruits and vegetables entered must be grown by the exhibitor. All entries have to be the work of the exhibitor from start to finish. Culinary foods must be processed from start to finish by exhibitor. An affidavit for proof may be requested. Any entry that was entered in previous years at this fair cannot be entered again.

Premium award ribbons or stickers will be displayed on all prize-winning entries for the duration of the fair.

Bring entries to the Mary Learn Building on Saturday 9am to 6pm or Sunday 12pm to 3pm, the weekend before the fair. No entry will be accepted after 3pm on Sunday. Your entry tags and admission tickets will be issued when your entry is received at the Mary Learn Building.

Entries are to remain on display for the duration of the fair. After the fair, your entry must be picked up on Monday from 9am to 6pm. Any entry left after 6pm will be discarded unless arrangements are made with management prior to the fair.

RULES FOR ALL ENTRIES

Exhibitors may not sell goods or distribute merchandise, printed or written material. Exhibitors are not allowed to call attention to their entry.

If you do not wish to keep your ribbon or rosette, return it to your superintendent or fair office.

Exhibitors are not allowed to camp on the fairgrounds.

PREMIUM AWARDS:

Premiums will be paid according to the decision of the judges and as recorded in the judges' books.

Premiums will be issued by check. Notice of errors, or claims of incorrect payment of premiums, must be made to the Secretary on or before October 1st following the fair. After October 1st the Secretary reserves the right to decline to make corrections or adjust errors.

Premium Checks need to be picked up on Sunday in fair office or when you pick up your entry on Monday at the Mary Learn Building. No checks will be mailed.

Should weather or an unexpected event occur at the fair to reduce the net receipts below the requirement for premiums, the Board of Directors reserves the right to pay premiums on a prorated basis after all expenses have been paid. Premiums may also be affected by lack of state funding.

Appeals to the Board of Directors regarding the awards of the judges are only allowed in regular sections and only in cases where bias is shown on the part of the judge. All appeals must be presented to the Secretary in writing within 5 business days after the conclusion of the fair and be accompanied by a fee of \$25.00. If appeal is sustained, fee of \$25.00 will be refunded; otherwise, it goes to the Society.

JUDGING:

Any entry without the proper entry tag attached will not be judged.

Judges will not award a premium to an entry which is not decidedly worthy. If there is only one entry in a section, it will be judged accordingly as in their opinion of what it shall deserve.

Judges will exclude anyone that has violated any of the rules and regulations of this fair.

Judges cannot judge a section in which they have either direct or indirect interest in an entry.

Judges will exclude from competition any exhibitor who in any way interferes with them during their judging of entries.

FAIRGROUND RULES

NO SMOKING is permitted in any building on the fairgrounds.

NO DOGS or OTHER PETS are permitted on the fairgrounds, with the exception of service animals.

NO BICYCLES or SKATE BOARDS on the fairgrounds.

IN CASE OF EMERGENCY NOTIFY THE FAIR OFFICE AT ONCE. (607)776-4801

Any environmental disasters, spills, etc. all cost involved is the responsibility of the individual at fault.

Violation of any of the above rules and regulations will subject the violator to be removed from the fairgrounds. Violator may also be arrested and fined as per 51409 of the State of New York.

The First Aid Station is located adjacent to the Grange Dining Hall. Call the fair office for immediate assistance. Report all accidents to the fair office.

STANDARDS FOR CONDUCT OF FAIRS

Section 350.1 FAIR SPONSOR; DEFINITION

For purposes of this Part a *fair sponsor* shall mean any organization that receives money from the State for the promotion of agriculture and domestic arts pursuant to Article 24 of the Agriculture and Markets Law.

Section 350.2 NO FEE FOR 4-H, F.F.A., JUNIOR FAIR OR SCHOOL DEPARTMENT EXHIBITS

No entry fee shall be charged for 4-H club, F.F.A. and junior fair exhibits entered for competition in their own classes, or for entries in the school department.

Section 350.3 PROMPT, FULL PAYMENT OF PREMIUMS

All premiums advertised and awarded must be paid promptly and in full, without deduction in the guise of donations or otherwise, notwithstanding any statements to the contrary or in modification thereof announced or stated in the premium book.

Section 350.4 NO PREMIUM FOR UNWORTHY EXHIBIT

No premium should be awarded by any judge or paid by any fair sponsor for an unworthy exhibit.

Section 350.5 PREMIUM AMOUNT TO ATTRACT WELL-BALANCED EXHIBITS

The amount of premium offered in the various departments should be such as to secure well-balanced exhibits, in the light of the types of agriculture carried on in the territory served by the fair.

Section 350.6 NO EXHIBITS BY JUDGES IN DEPARTMENTS THEY OVERSEE

No judges shall be permitted to enter exhibits in competition for premiums in the department with which they are connected.

Section 350.7 EXHIBITS TO BE PLAINLY LABELED

All exhibits must be plainly labeled so that the full significance of the exhibits will be made clear.

Section 350.8 RE-EXHIBITION IN DOMESTIC DEPARTMENT

No article shall be exhibited in the domestic department if it has been previously exhibited therein, unless permitted by official action of the board of directors or the fair sponsor.

Section 350.9 OWNERSHIP OF EXHIBITS ENTERED IN FAIRS AND SHOWS

- (a) All exhibits shall be entered in the name of the exhibit owner; provided, however, that the animal exhibit entered in a youth fair, youth exhibition, or 4-H show or exhibition may be entered in the name of the exhibitor.
- (b) Exhibits shall have been owned by the exhibitor for a period of at least 30 days prior to entry of the exhibit; provided, however, that any animal exhibit entered in a youth fair, youth exhibition or 4-H show or exhibition shall be in the care of the exhibitor for a period of at least 60 days prior to entry of the exhibit.
- (c) Proof of ownership of any exhibit shall be provided by the exhibitor, upon request, to the fair sponsor.
- (d) The fair sponsor may limit the number of breeds shown by any exhibitor.

Section 350.10 REJECTION OR REFUSAL OF AN EXHIBIT

Any fair sponsor shall reserve the right to reject or refuse, and to order the removal of, any exhibit which, in the opinion of the board of directors, is not eligible or worthy of showing or has not met the livestock health requirements set forth in Part 351 of this Chapter.

Section 350.11 COMPLIANCE WITH AND ENFORCEMENT OF LIVESTOCK HEALTH REQUIREMENTS

Each fair sponsor shall comply with and enforce the livestock health requirements set forth in Part 351 of this Chapter.

Animal Health Requirements

For Admission to New York State and County Fairs

(Part 351 of NYS Agriculture and Markets Regulations)

NYS Department of Agriculture and Markets/Division of Animal Industry

10B Airline Drive, Albany, NY 12235 518-457-3502 www.agriculture.ny.gov/AI/AIHome.html

General Prohibitions and Requirements

No person shall bring or have present an animal on the fairgrounds during a fair which is not qualified under NYS regulations.

No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.

Animals demonstrating clinical signs or other evidence of infectious, contagious or communicable diseases shall not be allowed on the fairgrounds during a fair.

Representatives of the Commissioner may deny admission to or require removal from the fair premises, or require the segregation of any animal showing signs of or exposed to any infectious, contagious or communicable disease.

NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.

All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Certificates of Veterinary Inspection (CVI)

Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants, require a valid CVI to enter the fairgrounds. The CVI must be issued by a Category 2 accredited veterinarian.

All animals must be officially identified. **ALL MANMADE ID MUST BE RECORDED.** Note that there are new animal identification requirements for cattle and swine. Refer to Animal Identification section below for more information. Only one species is allowed per certificate.

The type and duration of certificate required depends on the origin of the livestock.

New York Origin Livestock:

A valid intrastate CVI (AI-61) is required. Each animal must be individually identified on the CVI (see below). The CVI must be issued on or after May 1 of the current year.

Out of State Origin Livestock:

All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.

The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI's can be used multiple times for entrance into fairs. The initial entrance into a NY fair must be within 30 days of the date of CVI inspection. In order for the CVI to be used for a later fair, it must be dated and initialed by a NY state official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage:

http://www.agriculture.ny.gov/AI/import_export.html

Animal Identification

ALL MANMADE ID MUST BE RECORDED

Cattle must be identified by an official USDA radio frequency identification (RFID) ear tag, commonly referred to as an "840 RFID tag," or an equivalent official RFID tag if the animal was tagged in another country. Cattle which are already identified with 840 visual ear tags will be exempt from the 840 RFID tag requirement.

Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).

Swine must be identified by an official USDA radio frequency identification (RFID) ear tag, commonly referred to as an "840 RFID tag" or an equivalent official RFID tag if the animal was tagged in another country. Swine which are already identified with 840 visual ear tags will be exempt from the 840 RFID tag requirement. Nursing piglets do not have to be individually identified if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI.

Deer/elk must be identified with an official ear tag.

☐ Llamas and alpacas must be identified by official ear tag or microchip.

☐ Misc. ruminants must be identified by unique ear tag or microchip.

A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls, chestnuts, scars and other markings as necessary to uniquely identify the horse. Tattoos and microchips if any should be included. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.

NOTE: If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.

For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

Rabies Vaccination

Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) and that are 4 months of age or older on the date of admission to the fair. Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).

The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.

NOTE: Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors. The New York State Fair requires rabies vaccination for all livestock species entering the grounds.

Acceptable Proof of Rabies Vaccination

Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.

Acceptable proof of rabies vaccination must include the name of the product used, the date of administration and the duration of immunity if longer than one year.

If the statement of rabies vaccination is included on an EIA test record, it must be signed separately in addition to the required EIA test record signature.

NOTE: Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements. Acceptable proof of vaccination for dogs is a valid vaccination certificate or a copy of the dog license that contains the rabies vaccination information.

BVD-PI Testing

All cattle, llamas and alpacas exhibited at NY county fairs or the State Fair must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, the identification of the animal and recording the test date on the CVI. If a previous test is not verifiable the test must be repeated.

Cleaning and Disinfection

All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

Animal Deaths

Occasionally animal deaths occur at a fair. If a death occurs it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal.

Calving, Kidding, and Lambing

Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be ordered removed from fairgrounds, with their offspring, unless the animals are part of a birthing demonstration.

Commingling of Sheep and Cattle

Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

Commingling of Swine and Poultry

Due to the potential spread of influenza viruses, it is recommended that swine and poultry be housed in separate locations.

Isolation on Returning Home

The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

Individual Species Requirements:

Horses

Certificate of Veterinary Inspection (CVI) is not required for New York origin horses. CVI is required for imported horses. Extended Equine CVIs (EECVIs) are acceptable. For more information on EECVIs, visit <http://www.globalvetlink.com>.

Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record. The sample collection date for the qualifying EIA test must have been on or after January 1, 2020 for New York origin horses. For imported horses, the EIA test must have been conducted within 12 months prior to entry.

The EIA test certificate must include a complete description of the horse.

Rabies vaccination is required for all horses 4 months of age or older (see above).

Cattle

Certificate of Veterinary Inspection with animals properly identified. Note that there are new identification requirements for cattle (see Animal Identification section above.)

Rabies vaccination is required for all cattle 4 months of age or older (see above).

All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.

All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with a product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair.

Sheep

Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved flock tattoo and individual animal ID number or 3) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).

Rabies vaccination is required for all sheep 4 months of age or older (see above).

The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found.

If evidence of sore-mouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Goats

Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic implant ID is recorded on the goat's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).

The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found.

If evidence of sore-mouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Swine

Certificate of Veterinary Inspection with animals properly identified. Note that there are new identification requirements for swine (see Animal Identification section above.)

Llamas and Alpacas

Certificate of Veterinary Inspection with animals properly identified (see Animal Identification section above).

☐ All llamas and alpacas must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.

Poultry

Poultry (with the exception of doves, pigeons and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition OR 2) proof that the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock.

Poultry qualified by 90-day test must be identified by official leg band.

Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt, it must be dated within 1 year of the date of admission to the fair.

Deer/Elk (Cervidae)

Certificate of Veterinary Inspection with animals properly identified (see Animal Identification section above).

Originate from a herd classified as accredited or qualified under USDA tuberculosis regulations.

A movement permit obtained from the Division of Animal Industry is required for all deer movements. All CWD and TB program requirements must be met before a permit will be issued. Questions regarding movement permits should be directed to the Division of Animal Industry at 518-457-3971.

Miscellaneous Ruminants

Certificate of Veterinary Inspection with animals properly identified (see Animal Identification section above).

Exhibitor Prefer Guidelines

Cattle, Sheep, Goats, Swine, Llamas and Alpacas, Cervids, Misc. Ruminants

Review the animal health requirements booklet including information for your species **before** your veterinarian arrives to inspect your animals. If you have any questions **ask**.

Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call **early** to avoid the last-minute rush when mistakes are made and there is no time to correct.

Make sure **840** ear tags (RFID or visual) are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats.

Llamas and alpacas require a microchip or ear tag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one. If your animal is identified by a microchip, make sure you bring a working reader with you to the fair.

ALL IDENTIFICATION MUST BE RECORDED. Make sure it is.

Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information.

DO NOT stuff it in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document and you share responsibility if it is incorrect.

If you are **importing** livestock from out of state, make sure the interstate requirements are met and you have a valid **interstate certificate of veterinary inspection**.

Poultry

Schedule pullorum flock inspection and testing well ahead of the fair if your flock is participating in the NPIP program.

If you're having your birds tested within 90 days of the fair you must go to a pullorum clinic. Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic.

Birds qualified by 90-day test must be identified by official leg band.

Bring documentation with you to the fair in the form of a 1) current NPIP certificate, 2) 90-day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

Horses

NY origin horses must be accompanied by a negative EIA test report. The date of sample collection for the qualifying EIA test must have been on or after January 1, 2020.

Imported horses must be accompanied by an interstate certificate of veterinary inspection with a **negative EIA test within 12 months**. Rabies vaccination information can be incorporated into the CVI.

Drawing or photograph **must** match the horse.

Rabies vaccination must be within 1 year of arrival at the fair and be documented by a **signed** rabies certificate or a signed statement on the EIA test chart with the required information (see requirements).

MOST IMPORTANT

When you are loading your livestock for the trip to the fair take the time to examine them. Make sure they are the same animals that are on the paperwork and, if they are showing any signs of illness, **LEAVE THEM HOME**.
